Castlebridge Celtic Notes

●Our end of season outing to Trabolgan last Saturday was a huge success and everyone really enjoyed the day. Although a number of players could not make it we did have the bulk of all four squads there for the day of activities and the medal presentations.

After a long season we can safely say this was one of our best yet. Three league titles, two cups and a runners up league shows how far the club has come across all age groups and from 11 to 16 we now have teams which can compete and win in all competitions.

Over the past couple of years the club has put a huge effort into the schoolboy age groups and it is now showing with every player who played this year involved in a medal winning team. There is great credit due to the lads for sticking at it over the season and to the coaches and assistants with the teams for working away each week to make sure the teams were trained and ready to play each week. Joe Hartnett and Paul McNulty did fantatstic work with the Under 14s and Under 16s. Special thanks also to Liam O'Mahony, John Barry, Neil Spillane, James Moroney, Denis Lenihan, Ger Tobin and Conor McNulty. Our Under 11s deserve a special mention in creating a bit of history for the club by reaching the last 32 in the SFAI National Cup, the furthest any team has gone in a National competition since the club was founded. Finally thanks to Mary Murphy, Mary Hartnett, Mary McNulty and Mary Barry-Donnellan for helping with the gear washing and drying all season, it is always the hidden jobs that get done that help make the difference. We can look forward to more success next season and continue to build on the good work that has been done.

Congratulations again to all our teams and mentors and enjoy the break over the summer. See you again in August!

●Small Sided Leagues almost complete - The under 7s, 8s, 9s and 10s have almost completed their leagues with the last round of games due to complete this week. Thanks again to the team managers, Oisín Dolan, Paul Donnellan, Dermot Quinlan, John Barry, Joe

Barry and Vince Kearney and to the parents for their support. We have seen some great games over the past two months and the lads have really enjoyed playing so many games and getting great experience and practice in.

•Danone Cup - This week our Under 11 team represented the WWEC league in the Area Finals held in Clashmore and we did well enough, beating Ardmore 2-0, before losing out to Carrigaline 1-0 in the pool decider. Carrigaline are Premier division in Cork and other Cork teams included Mallow and Corinthians but we did not look out of place at all and some of the other coaches commented on the standard of our players and how well they played.

Well done to everyone and thanks again for the help from parents in getting the lads there.

•Castlebridge Fun Soccer Summer Camps 2011 - We are delighted to announce that we are going to run two summer camps this year, both over 4 days, from 11th to 14th July and from 15th to 18th August. The camps will offer great value for money, plenty of fun and enjoyment and the chance to get some great coaching also. Details and Registration Forms will be available from team managers and will also be distributed to the local schools in the coming week. For further details on the camp, please contact either Damien on 086 3264022 or Paul on 086 8733738.

Heritage and Tidy Towns Group

* Its that time of the year again and the National Tidy Towns Competition is in full swing. The flower beds and tubs are being planted, and where possible the Cleanup Team are tackling the areas that need a bit of loving care. Last Tuesday (31st May) we were working again in the Graveyard area sweeping and planting up the new tubs and the flower beds. We are asking visitors to the Graveyard to water the beds next to the seats if you think they need water over the coming month.

The previous Tuesday (24th May) the new Horse Butt was put in place, next to the location of the Old Creamery, on the Grand Avenue. Our sincere thanks to the Collins family for donating the cart and to all the people who helped along the way, especially Noel Higgins who coordinated the project from start to finish and to Breda McCarthy and the FAS workers for all the restoration work. And a big thank you to John O'Keefe who transported the cart back and forth for us, thanks John.

* As usual we are looking for NEW MEMBERS to come out on our clean-up evening. The Litter Challenge is taking place at the moment. Weeds are considered litter and cigarette butts. So get out there and start litter picking. Think about joining our group with a friend? To get a text message about clean-up nights just text 'Cleanup', your name and number to Liz at 086 0577862 or talk to any member of our group. Our thanks to all who came out on the Cleanup nights over the last few weeks.

Community Council

•Community Scrap Iron Scheme:

A very sincere thanks to all who have donated any scrap iron to our community scrap iron collection scheme which is still in place. The scheme will continue for another 2 weeks and we would encourage anyone with any bit of scrap iron to contact Seamus Geary (086 2619121) or Donal Sheehan (025 36202) for information. In particular we would ask the farming community of the parish who might have old machinery or other heavy iron (gates, engines, scrap cars, farm machinery etc) to avail of the opportunity to help the local community in this very worthwhile cause.

•Castlelyons community council clothes recycling drive is being continued for a further 2 weeks due to the large amount of items received. So again please donate all your clean unwanted clothes, bed linen, towels, textiles including shoes, bags, belts and soft toys and mobile phones. Items can be dropped at the community centre teen cafe at the back of the community centre on WEDNESDAY JUNE 8th from 7-8pm or TUESDAY JUNE 14th 7-9pm. Please contact Catherine Murphy 0874104730.
